Dear Mrs. Manley:

As requested in your letter of March 2nd, I have arranged to have your automobile insurance reinstated effective tomorrow, March 5th. I will send you a reinstated endorsement within a few days.

I have written to the five companies in order to get a refusal to write compensation insurance and I should have replies from all of them by the end of the week at the latest. I will send them to you as soon as received.

The fire and theft insurance on the bus expires on the 8th of this month. I am enclosing a renewal policy which I presume you will want, together with my bill for the premium amounting to \$8.50.

Yours sincerely,

Harold W. Tappey
